WEDDINGS ^{AND} ELOPEMENTS

LORD & LADY GREGSON

Hi. We are Tyler Knott Gregson & Sarah Linden Gregson & we have been chasing the light together all over this beautiful blue marble for 15 years. We've photographed all types of assignments with all types of people all over this world.

We know what matters most. We know the value of a single fleeting moment.

We believe in capturing those moments, the ones that stand out tall and live between all the others that were supposed to matter more.

The secret miracles & the stolen breaths.

When the dust settles & the pictures find themselves framed on the wall, it's those that matter...the nervous glance, the belly laugh, the last deep breath.

The calm & the frenzy.

There is so much life & we will always do our best to capture it all in a way that matters, truly matters, & always will.

Whatever you need, we can help. Contact us & we can start showing you your life, how you've never seen it before.

Always chase the light.

WE BELIEVE

In blending into the background, vanishing documentary style, & leaving you wondering how in the hell we got the shot we got.

In capturing your day as it unfolds, naturally, without clichè or awkward posing, without phony re-creation or forced narrative.

In creativity, in pushing our boundaries to become better photographers, better people, & better at capturing emotions, instead of moments.

In chasing the light, wherever, whenever, & however we possibly can.

INTERNATIONAL WEDDINGS ^A/_{ND} ELOPEMENTS ^A/_{ND} VOW RENEWALS

Travel is one of our most treasured things, so we're always highly motivated to shoot international & destination weddings, adventure elopements, & vow renewals all over this beautiful planet. We've been lucky enough to travel to a wide variety of countries, & this is something we really want to do more of. As such, we're always throwing in massive discounts, some all-in type pricing, & fun deals & promotions to make it more affordable for you, if this is something you're planning.

Bottom line, reach out, tell us your wild, adventurous, crazy plans, & we'll customize a package to work for you, so we can wander this green globe together, & come home with the most unbelievable photos & stories that go with them. Trust us, we're motivated, we're ready, & we're the perfect pair to adventure with. You'll see.

QUESTIONS & WONDERINGS

DO YOU TRAVEL?

Everywhere & Anywhere. Nothing excites us more than wandering into new landscapes, new cultures, new light. We even like to toss in some deals from time to time for international assignments that really get our crazy wanderlust hearts racing.

WHAT IF WE NEED YOU LONGER?

You probably don't, as in our experience 6 hours is plenty of time for us to get all you'd ever need for most people. But we can easily add hours onto your wedding package at a discounted rate should you need.

DO YOU TAKE FORMAL (POSED/GROUP) PHOTOS?

We get it, formal photos are important to some couples (or their grandparents), & while we'll capture them, we'd rather spend the vast majority of our time doing what we do best: Focusing on the breathtaking candid moments that you will remember & cherish forever. Don't worry though, we'll get the group shots you need & keep Nana happy.

CAN WE GIVE YOU A LIST OF SHOTS WE WANT?

We love Pinterest too, but if we're focusing our energies & eyes on copying someone else's work, ours will suffer. Trust us, we'll rock at the job you hired us to do. We promise.

CAN YOU RETOUCH/AIRBRUSH OUR SKIN/BODIES?

This (thank goodness) isn't Sports Illustrated Swimsuit Edition, so to us, natural always wins. We do light retouching, but refuse to make anyone look plastic. You are beautiful, just as you are. We'll show you.
